All - based on the updated Doodle Poll, here is the information for the next meeting of the James River Chlorophyll Criteria Regulatory Advisory Panel:

Date/Time: **Wednesday, August 10, 2016; 10:00 AM - 3:00 PM**

Location: **DEQ Piedmont Regional Office, 4949-A Cox Road, Glen Allen, VA 23060.** [MapQuest map.](#)

This is the 2nd meeting of the regulatory advisory panel (RAP) established to assist the Department of Environmental Quality in considering amendments to the James River chlorophyll criteria in Virginia's Water Quality Standards Regulation (9 VAC 25-260-310.bb). The RAP is considering information developed by a Science Advisory Panel during a 5-year study on the protectiveness of the existing criteria for aquatic life, as well as the methods used to assess compliance with the standards based on water quality monitoring data.

An agenda will be sent in advance of the meeting. VMA representatives have asked for time on the agenda to make a presentation - if any other RAP members desire to make a presentation, please let me know.

Thanks,

John Kennedy
